Organic Eucalyptus Globulus

Eucalyptus essential oil helps with easier breathing and is often used for helping treat respiratory tract illnesses.

Fragrance Profile

Fresh, clear, and camphor-like

Benefit

Its mucolytic effect grants relief in the cold season, and it refreshes and clears the ambient air.

"BREATHE FREELY"

Chest Oil

- 50 ml Organic Sweet Almond Oil
- 5 drops of Organic Eucalyptus Globulus
- 5 drops of Cajeput Extra
- 3 drops of Organic Benzoin Resinoid

Mix the essential oils into the almond oil. Apply to chest and back, and take deep breaths.

"SNIFFLES CARE"

Roll-On Nose Care

- 10 ml Organic Jojoba Oil
- 2 drops of Organic Eucalyptus Globulus
- 1 drop of Cajeput Extra

Mix the oils in an empty roll-on dispenser. Gently pat the oil on stressed and reddened outer nostrils.
