Organic Hemp Seed Oil

Strengthening, calming and regenerating Organic Hemp Seed Oil treats reddened skin. It is ideal for irritated, sensitive, and under-hydrated skin and as supporting care for atopic eczema.

Calming Face Oil

Soothes skin redness

Ingredients

- 50 ml Organic Hemp Seed Oil
- 10 drops of Organic Benzoin Resinoid
- 5 drops of Organic Palmarosa

Preparation

Add drops of essential oils into the hemp seed oil and shake well.

Usage

Massage into damp skin 1 to 2 times daily.

Interesting facts

We source our Hemp Seed Oil from our partner in southern Germany and we gently cold press it at no more than 40 degrees Celsius.
